The hearing was held at the Charles Feix Annex of the Cynthiana Public Library at 101 E. Pleasant Street. Mayor Keith called the hearing to order.

A roster of attendees is hereto attached and made a part hereof.

City Clerk McIlvain supplied everyone in attendance with a list of streets to be paved and funds available. A copy of the funds available and the proposed streets are hereto attached and made a part hereof.

City Clerk McIlvain presented the 2010-2011 proposed MRA project noting that the exact cost of this paving is not known at this time, but the City will include as many of the listed streets as possible. Mayor Keith questioned if the list had the streets prioritized. City Clerk McIlvain replied that they were prioritized.

City Clerk McIlvain noted that \$18,000.00 of MRA funds have been set aside for each year, 2010 and 2011, for sidewalks and curbs in the Westside Redevelopment Project Area as part of the City's local contribution agreement.

Mayor Keith asked for comments. No comments were received and the hearing was closed.
